

Urban Design (Mixed media product)

By -

Taylor & Francis Ltd, United Kingdom, 2014. Mixed media product. Condition: New. Language: English. Brand new Book. From the earliest attempts to structure and organize human settlements in the image of divine, cosmic, or an ideal social order, the notion of urban design has deep historical roots. Down the ages, the design of cities has reflected edicts prescribed by the highest authorities, including priests, rulers, philosophers, and visionary thinkers. Many dynasties sought glory and fame in the design of their cities and-even in modern times-new cities have been designed and built as icons of independence and as symbols of progress. Thus, city design has played a crucial role in the construction of new capitals like Brasilia, Chandigarh, and Islamabad, and-more recently-in the dizzying new urban developments of Dubai and Shanghai. In common parlance, urban design means the appearance, layout, and organization of the built form of large-scale urban environments. Urban design also implies a deliberate process to create functional, efficient, just, and aesthetically appealing urban spaces. Accordingly, as the editor of this new Routledge collection explains, 'design' is used simultaneously as both noun and verb, and the literature on urban design reflects this parallel possibility. As a noun, urban design is...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- **Prof. Kirk Cruickshank DDS**
